

## When HE Speaks All or Nothing

\_\_\_\_\_ , at a level, is a necessity for life. We are a world of noise.

We \_\_\_\_\_ what we hear.

What we \_\_\_\_\_ to hear ultimately tells us what we truly believe to be \_\_\_\_\_.

He who has the greatest ability to make Himself heard over all the noise of the world will rarely if ever \_\_\_\_\_ hear Him. (*Mt. 13:10-18; 1 Kings 19:3-13*)

God rarely, if ever, shouts. He \_\_\_\_\_.

**If we don't want to hear \_\_\_\_\_ God says we will rarely hear \_\_\_\_\_ He says.**

God has this thought that He knows \_\_\_\_\_ what needs to be said when it needs to be said.

I tend to want to \_\_\_\_\_ from God what I want to hear from God about that which I want to hear.

We're still struggling to read our Bible though \_\_\_\_\_ isn't the issue it once was.

We struggle because when we \_\_\_\_\_ our Bible it actually \_\_\_\_\_ us.

Just like Adam and Eve, the sin I still struggle with causes me to want to cover and \_\_\_\_\_ from God.

And the very things I'm covering are the very things that keep me from \_\_\_\_\_.

The way we enter into the \_\_\_\_\_ of God that is not circumstantial but is constant in our lives is through leaning in close and hearing God say everything He wants to say. (*Heb. 4:11-12*)

And the primary way He speaks is through \_\_\_\_\_.

When He speaks, whatever He speaks to us is for our good and is what is most \_\_\_\_\_ in that moment.

Challenge:

- Find a \_\_\_\_\_ version of the Bible (English Standard Version or the New International Version).
- Find one that is a "red letter edition."
- \_\_\_\_\_ the red, \_\_\_\_\_ the red, \_\_\_\_\_ the red.

And as we do this, we will find ourselves living more in the \_\_\_\_\_ of the Almighty.
