Dear Friends,

It's that season again. The season when people get radical in obeying the Lord by following Him around the world on missions serving Him and loving others. On July 28- August 8, a group of young adults from Beltway Park Church will be travelling to Ecuador as their act of obedience. I am more than excited to have the incredible opportunity to join in with what God is already doing in the nation of Ecuador.

While in Ecuador, we will be supporting the local church, providing aid to sick and hurting individuals through means of a medical clinic, and building relationships with the Ecuadorians and telling them about the amazing heart of Jesus for them. I have personally watched family members struggle with diseases, such as cancer. But through that process, I have seen the hope that Jesus can provide even in the midst of grief and sickness. This is one of the main reasons I feel led to be a part of this trip: to share the hope of Jesus with the hurting people in Ecuador.

In order to be a part of this team, I am required to attend team meetings, focus on my individual relationship with the Lord, and financially pay for my trip. As a recent college graduate, I trust the Lord to take my own personal financial sacrifices and multiply them. I plan to put most of my paycheck towards my trip, work as many fundraisers as possible, etc. However, it's no secret that any radical act to GO will require another's radical response to SEND. This season of obedience would not be possible without the incredible acts of generosity that support the work of the Lord. Even with my own personal sacrifices, I am reliant upon faithful generosity as I enter into this time of obedience, and sharing the hope of Jesus. The cost of this trip is \$2800 per person. There is no obligation to give, but would you prayerfully consider donating towards my trip? If the Holy Spirit leads you to do so, you can fill out the enclosed commitment card with my name on it and mail your donation in the envelope provided. Please make checks payable to Beltway Park Church.

Even more than financial support, I am in need of prayer support. Would you consider being a part of this adventure by offering up radical prayers for my team and me during this preparation phase of our trip, and continue praying for us as we make our way to Ecuador? Whether Holy Spirit leads you to pray, or offer financial support, I am extremely grateful for you and your response to send.

P. S. Make sure you read the following note from our church's Elders:

Please join the Elders of Beltway Park Church as we pray for those who will be ministering in Ecuador this summer. We know that you receive numerous requests, so as with any special offering, prayerfully consider how the Lord would lead you in this.

Blessings, the Elders of Beltway Park Church
